### General Information:

Students may apply for admissions to SLCHS after completing 36 hours of nursing pre-requisite courses and at least 2 of the 4 required natural sciences. Overall grade point average must be a 2.7 or higher. Admission into the traditional BSN program is competitive and fulfillment of the minimum criteria does not ensure acceptance.

Satisfactory completion of the pre-nursing coursework is required for enrollment in Saint Luke's College.

* BIO 340 (Human Body) course meets the requirement for both Anatomy and Physiology

** SLCHS prefers students have 6 hours of History, Gov't, or Economics area
