Congratulations to our new SLSNA and Student Government Officials!

SLSNA’s mission is to support the student nurses in their endeavors to achieve the highest standard of professional nursing education by providing opportunities for community service, supporting future leaders, enhancing professional development, and student advocacy. The goal of student government is to serve as the voice of the student body to the community at SLCHS, to serve as a liaison between the student body and college administration, to foster student unity, and to provide financial support of events/projects/organizations that benefits the total education of the student body. The student body could not have picked more qualified individuals to represent these statements. Below are the newly elected individuals and their positions, which will come in to effect fall 2013:
